

Boat Stands

These rugged boat stands are constructed from high grade welded steel with a dark green, powder coated finish to minimize corrosion and rusting. They are built in the USA to demanding specifications that ensure safety and ease of use. A wing nut design on a solid steel threaded rod allows tops to be raised or lowered quickly and easily. Side stands are stackable, and storage racks are available for both keel and side stands.

**MADE IN THE
USA**

KEEL STANDS

SIDE STANDS - POWER

SIDE STANDS - SAIL

Recommended Placements

All boats are different: please consult a storage professional for individual requirements.

Keel Stands

One keel stand per every 10,000 lbs. of boat weight. Stands should be spaced evenly along the keel. A minimum of two keel stands is required.

Side Stands

For Power Boats:

| Boat Length | # of Stands |
|---------------|-------------|
| Less than 30' | 4 |
| 30' - 40' | 6-8 |
| 40' - 55' | 8-10 |
| 55' - 70' | 10-12 |
| 70' and over | 12 or more |

Side Stands

For Sail Boats:

| Boat Length | # of Stands |
|---------------|-------------|
| Less than 30' | 6 |
| 30' - 40' | 6-8 |
| 40' - 55' | 8-10 |
| 55' - 70' | 10-12 |
| 70' and over | 12 or more |

Aluminum stand pans may be required for support on dirt, gravel, grass or other soft ground.

KEEL STANDS

| Part # | Description |
|-----------|-----------------------|
| RFKS-1624 | Keel Stand, 16" - 24" |
| RFKS-2430 | Keel Stand, 24" - 30" |
| RFKS-3038 | Keel Stand, 30" - 38" |

SIDE STANDS - POWER
