

Pedlock® CPLT Series Pedestals

“T” bracket non-metallic buried copper distribution pedestals for small copper pair-counts

Pedlock® CPLT Series Pedestals provide the flexibility, durability and reliability to be a cost-efficient enclosure for small pair-count terminations and splices. A specially-designed “T” Bracket accommodates terminal blocks of up to 25 pair counts, Charles Kwik-Kase® and Ready Access Load Coil Cases, or Charles Smart Coil Kwik Kases®.

The CPLT Series, like all Charles Pedlock Buried Distribution Pedestals, feature a base and one-piece locking dome that create a patented “bell-jar effect” for flood-proof protection of inner cabling. CPLT Pedestals are an excellent choice for flood prone areas and have proven themselves in the field for more than 35 years.

MADE IN THE

Features

- Designed to house and protect small pair-count terminations and splices
- Non-metallic, lightweight PVC construction resists corrosion, impact, fire, floods, chemicals and insects
- Rigid, non-conductive T-Bracket easily secures to rail mounting system in pedestal base; provides secure mounting post for terminal blocks
- 2-post metal grounding bar with ground lug designed to meet all RUS grounding requirements
- Lift-off dome allows 360° access to internal areas; includes 216-tool hex-head lock

Charles

Applications

- Small pair-count twisted-pair splices
- Terminal blocks
- Charles Ready Access Load Coil Cases
- Charles Load Coils in Kwik-Kases®
- Charles Smart Coils in Kwik-Kases®

Dimensions

	<u>CPLT 4</u>	<u>CPLT 4-I</u>
Base Height	13.5"	33"
Dome Height	26.5"	26.5"
Buried Height (Top of Dome to Ground Line)	33.5"	33.5"

**CPLT 4 with 25-pair
Terminal Block**

Ordering Information

<u>Part Number</u>	<u>Product Description</u>
CPLT 4	4" pedestal, round base, "T" bracket, ground bar with ground lug, warning label, 2 tie wraps
CPLT 4-I	4" Pedestal, integral stake base, "T" bracket, ground bar with ground lug, warning label, 2 tie wraps, drop wire channel and plug

MOUNTING STAKES & BRACKETS

Mounting stakes (or pole-mount brackets) are required for all pedestals without integral stake bases. Please specify your mounting preference when ordering:

<u>Part Number</u>	<u>Product Description</u>
UMS36-STD	36" Steel Mounting Stake and Hardware (order in multiples of 10 – ship 10 per box)
UMS42-STD	42" Steel Mounting Stake and Hardware (order in multiples of 10 – ship 10 per box)
UMB102A	Pole Mounting Bracket and Hardware (order in multiples of 10 – ship 10 per box)

CPLT SERIES ACCESSORIES

<u>Part Number</u>	<u>Product Description</u>
97-500500-A	10" Insulated Ground Braids (pkg. 50)
97-500501-A	12" Insulated Ground Braids (pkg. 50)
97-500502-A	18" Insulated Ground Braids (pkg. 50)
97-500512-A	Ground Lug (pkg. 100)

Universal Mounting Stake

Powder-coated metal stakes available in 36" or 42" lengths

Pole Mount Bracket

The UMB102A metal pole-mount bracket and mounting hardware kit is available for mounting CPLS pedestals to telephone poles and fence posts.

Dependable Solutions, Superior Support

- Field-proven and unequalled 24-hour technical support
- Individualized application consultation
- Superior quality (ISO 9001/TL 9000 registered)
