Manufacture Discontinuance of Mini-Repeaters

PRODUCTS AFFECTED:

All remaining Mini-Repeaters

BACKGROUND:

On October 31, 2020, Charles announced on Product Bulletin PB-00359-J21 that Mini-Repeaters had moved to A&M status. This notice is to formally announce that Mini-Repeaters are now Manufacture Discontinued. We will sell remaining finished goods inventory, which is limited to Qty. (323) of 621156-000-004 or 621156-000-003

PRODUCT AVAILABILITY & ORDERING INFORMATION:

All part numbers in this category are now Manufacture Discontinued. Available products may be purchased in accordance with our standard ordering procedures and will be filled while supplies last. Depending on demand, products may no longer be available, thus we recommended contacting your Charles Customer Service representative directly, or phone 847-806-6300, for product availability prior to ordering.

EFFECTIVE DATES:

Announced on February 1, 2022

NOTIFICATION:

A communications package will be sent via e-mail to distribution channel partners and direct customers as part of the 1Q22 customer notifications.
